*This is the chance you have been waiting for. ● Understand the world in broader ways.
Bring your important questions to a wise, spirit-being who has been in active service for 19 years.*

Lori Wilson, author, social worker, radio show host and internationally recognized intuitive, will be sharing an amazing 2-hour evening that demystifies everything you may have learned or heard about intuition, channeling and tapping into higher wisdom. In her 24 years of developing her extraordinary intuitive abilities, Lori and her spirit guide, Grandmother, have been teaching thousands to channel higher wisdom and achieve inner trust. Lori believes channeling is not a mystical gift, but rather a skill and an ability that everyone can harness for better living.

Grandmother will first address the audience with a general teaching, then answer questions that would be of interest and benefit to all. Throughout the evening, 5 audience names will be drawn and have the opportunity to ask personal questions. Join Lori and Grandmother for this symposium of ancient wisdom and see how paying attention to what seems invisible can change your life!
